RE: Final BPSOU Unreclaimed Sites – Draft Final Field Sampling Plan (FSP) Package #1; UR-23, UR-31, UR-32, and UR-39.

Agency Representatives:

I am writing to you on behalf of Atlantic Richfield Company to submit the *BPSOU Unreclaimed Sites – Final Field Sampling Plan (FSP) Package #1; UR-23, UR-31, UR-32, and UR-39*. The report may be downloaded at the following link:

<https://pioneertechnicalservices.sharepoint.com/:f/s/submitted/EtpNkh1FJoJKoQXAU3C1eL0BFJLnf3nVEJdJqAot58TI-w>

Atlantic Richfield's responses to comments provided on June 8, 2021, are provided below.

Comments:

1. *Site UR-23, Previous Sampling Efforts: The Field Survey of Unreclaimed Areas (FSUA) sample identification (ID) is "1545", not "45". To avoid possible confusion with other historic sample IDs, please report the full ID for the FSUA samples in upcoming FSP submissions. In addition, per agreement between EPA and AR, FSUA samples were not analyzed for cadmium; thus, Table 1 should report the cadmium result as "NA" or "Not Analyzed". Reporting the cadmium result as "0" may imply that cadmium was analyzed but not detected. Please address these comments prior to submitting the final field sampling plans (FSP).*

Atlantic Richfield Response: The FSUA sample ID has been revised to FSUA-1545 and the analytical result for cadmium has been updated to "Not Analyzed" in Table 1 as recommended.

Direct (406) 782-9964

Fax (406) 782-9980

- 2. Prior to the implementation of the field work associated with these FSP, please resubmit / distribute this FSP with the final approved 2021 Unreclaimed quality assurance project plan attached to the FSP (tracking it as FSP #1).*

Atlantic Richfield Response: Comment noted. As discussed with the Agencies and technical team, the final FSP will contain site-specific information and reference the Final Unreclaimed Sites QAPP-2021.

End of Comments

If you have any questions or comments, please call me at (907) 355-3914.

Sincerely,

Mike McAnulty
