Miss Valeen Tippets, associated with the World University Service, was a recent visitor on the campus. She was investigating the possibility of student body support for the Universal. A cum laude graduate of Rocky Mountain College in Missoula, Miss Tippets has been active in communications work, winning the highest honors at the National Press Women’s Conference. She is also a member of the Executive Board of the National Federation of Business and Professional Women’s Clubs. In the capacity of a local organizer, she visited many of the larger cities of Montana to encourage the formation of new clubs, with the ultimate aim of establishing a state organization. Miss Tippets has been active in the educational fields and come forward with recommendations which would enable us to intelligently evaluate our system and modify it to fit our financial capabilities. When money is available, equipment for all departments and institutions should be purchased on a need and priority basis.

MISS VALEEN TIPPETS,

dents in school wherever they may be.

If the Montana School of Mines were to participate in the program it would do so either through funds obtained through the student council or by sponsoring a book drive.

**Pete Gross Honored**

Coach Ed Simonich has received word that Pete Gross has been given an honorable mention to the All-American football team as quarterback. To be accepted, this national team a player must have a "team average.

The American team is sponsored jointly by the College Sports Directors and the American People’s Encyclopedia.
